

SCACCOUNTING

NOT FOR PROFIT, CHARITIES AND OWNERS CORPORATIONS

Our community benefits greatly from the good natured support that you provide, and we can support through this process. Now more than ever it is important that your organisation is compliant.

At SC Accounting, we have supported many associations like yours, ensuring they meet their financial, reporting and compliance obligations. We act for Not For Profits, Charities and Owners Corporations. Our principal Steve Creelman has been actively involved in a number of charities, Grow Hope and Little Dreamers, and community groups - CCCAV, local kindergartens and OC's.

We understand that your time is precious, often given up for the benefits of others, so we provide internal processing and robust reporting systems designed to meet your group's needs.

Compliance is an ever changing challenge; whether it be meeting the reporting obligations under the Australian Charities and Not-For-Profits Commission (ACNC), complying with the Owners Corporations Act or simply operating a local club, you do have responsibilities and obligations to adhere to!

At SC Accounting, we can:-

- recommend the appropriate structure for your Association
- assist with good Corporate Governance
- assist in obtaining deductible gift recipient (DGR) status
- prepare special and general purpose financial statements (as required)
- assist in providing independent audit services
